UKRAINIAN SHUMKA DANCERS

DANCE STUDIO & OFFICE SPACE AVAILABLE at the new SHUMKA DANCE CENTRE

Edmonton's oldest dance company opens a new chapter with its move to the **SHUMKA Dance Centre** this summer. Located at 10515-111 Street in downtown Edmonton, this 14,000 sq. ft. performing arts facility houses four high-quality dance studios, plus wardrobe, storage, office, kitchen and meeting space.

Each studio is fitted with a true sprung floor, barres, mirrors, and sound system; and will be available for use by Shumka, the Shumka School of Dance, and local and visiting artists and arts organizations. Shumka's goal is to keep rental costs accessible and inviting so the Centre can become a true hub for performing arts and culture. As Shumka and its school rehearse on evenings and weekends, we have substantial availability for studio rental from 9am to 4:30pm weekdays. A variety of office spaces are also available for lease!

Studio sizes are as follows:

Studio 1 (ground floor):	51'x 43'
Studio 2 (ground floor):	48'x 23'
Studio 3 (ground floor):	45'x 24'
Studio 4 (2 nd floor):	30'x 20'
