

For 54 years, Canada's Ukrainian Shumka Dancers have been **leaders in bringing Ukrainian Canadian dance to the world stage** with a rich legacy of artistic excellence and an **enviable record of developing of artists and community leaders.**

Shumka is evolving as a professional company. **You can help Shumka to realize its exciting plans for the future**, including consistently developing new works, strengthening and inspiring current and future dancers, continuing to develop young leaders, and reaching out effectively to our community. Together, we can accomplish all of this and more...*join us!*

The many ways we want to *Thank You!*
